The screenshot shows the Turkish Airlines website's flight booking interface. At the top, there's a dark header with the Turkish Airlines logo and navigation links: Corporate Club, Miles&Smiles, Feedback, and language options (Portugal - English). Below the header, a main banner features a sunset background with the text "Discover our flight offers starting from **EUR292*** and book now!". A search form is overlaid on the banner, containing a "Round-trip" dropdown, "1 Passenger, Economy" dropdown, "From" and "To" origin/destination fields, "Departure date" (Tue, January 21) and "Return date" (Tue, January 28) fields with calendar icons, and a red "Search flight" button. Below the banner, a breadcrumb trail shows "Home > Flights". A section titled "Discover Our Most Popular Flight Destinations." contains another search form with "From" (Origin), "To" (Destination), and "Cabin Class" (Economy) dropdown menus.
